

## How to Access Math Tests on SchoolCity

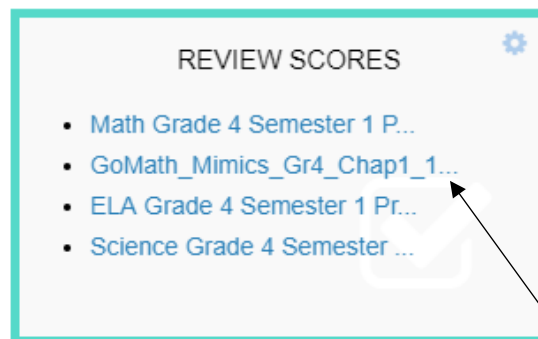

Go to the class website and click on the SchoolCity link from the math tab.

Once you have logged on you should see a screen like this. Click "review scores."

The tile will flip around and you will see all the assessments listed.

Choose GoMath\_Mimics and click the chapter test.

Each problem will be listed. In this view you are able to see:

Question      Standard      Student Response      Correct Answer

#	Item	Item Type	Standards	Student Response	Correct Answer
